

Your child has just
been diagnosed with
Type 1 Diabetes.

There are hundreds of
parents like you who are
inviting you to join our
online forum.

*We can't know how you
feel, but we do
remember how we felt.*

A place for
parents and
associates to
discuss, learn,
share and even
laugh about caring
for children with
Diabetes.

So, your child has
a munted
pancreas?

Ours do too!

Munted Pancreas is managed by

TYPE 1
diabetes
network

ABN 61 113 54 6859

At MuntedPancreas.com we discuss a wide range of issues linked to our kids' condition and our role as parents.

Here are a few examples:

- *What to do when the tester reads "Hi"?*
- *How does diabetes affect your child's mood?*
- *To pump or not to pump?*
- *Night hypos.*
- *Parties, Puberty and all that stuff.*
- *Soccer, swimming and other sport.*

MuntedPancreas is an initiative of the Type 1 Diabetes Network.

The site was established in 2006 and there are now more than 200 parents contributing.

You will be able to ask all the questions you want, learn what other parents with years of experience have done, and compare notes.

You will find interesting stories, support, relevant information, and even some joyful news and comments.

Anyone can visit the site, but you need to be registered to contribute - this makes sure the site is a safe place for all.

Site membership is free!

Just type...
